MASK SIZING GUIDE

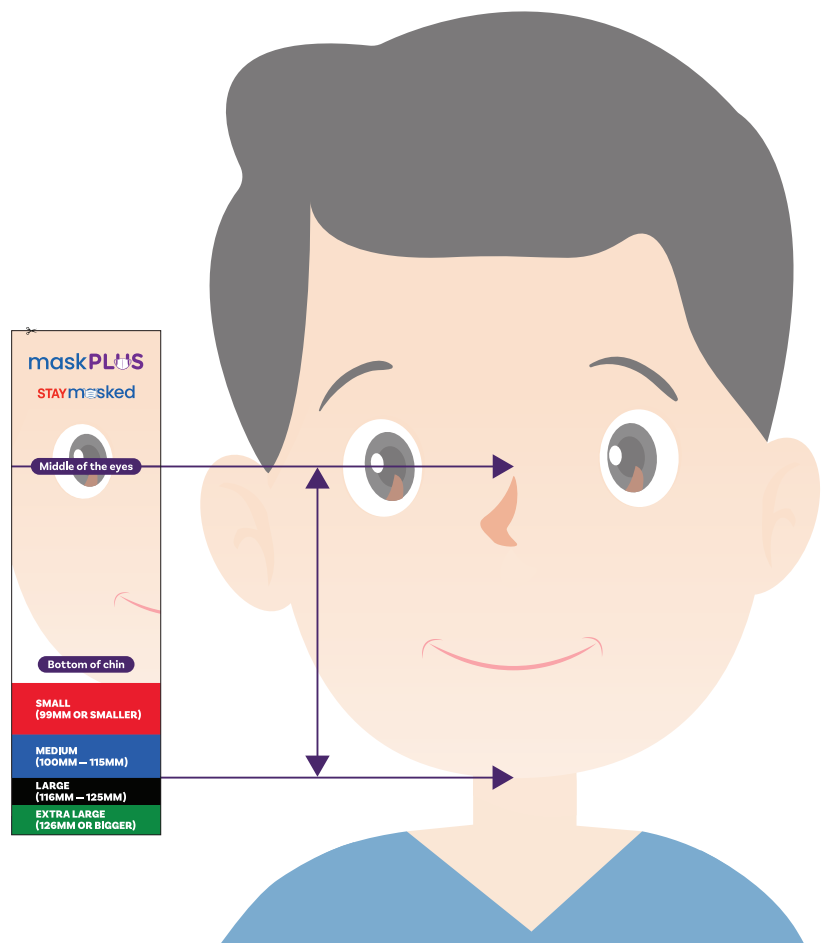

STEP 1

Cut out sizing ruler

STEP 2

- A. Align the middle of the eyes to the sizing ruler
- B. See where the bottom of your chin is
- that's your mask size

Pro-tip: Choose a size up if you are in between sizes.

Print this at 100%. Do not scale to fit.
Unable to print this? Use a ruler or measuring tape and note your size.
